Bulk Rename Command - Changelog

Revision History
!=Bug, +=new feature / enhancement / change

Version	Date

1.3.0.0. 14/08/07
      +   Allow processing is a specific sort-order (/SORTBY and /SORTDIR)

1.2.3.0. 02/08/07
      !   File listing now stored before processing – prevents file being renamed twice

1.2.2.0. 27/07/07
      !   File timestamps were not honouring DST

1.2.1.0. 21/04/07
      !   RemoveFromTo option had incorrect validation.

1.2.0.0. 02/02/07
      +   Added logic for copying and cutting to a buffer, and pasting from the buffer
      +   Added facility to move characters *n* to *n*.
      +   Created native 64-bit version for performance

1.1.0.0. 29/01/07
      +   First Release
